**Projected Flushing Locations:**

During the week of 07/14/2013 to 07/20/2013, the following streets are scheduled to be flushed:

Wansford Way  
American Road

Stowmarket Avenue  
Hydraulic Road

Eastrock Drive  
Stenstrom Road

**WATER QUALITY CONTACTS:**

Water Quality Supervisor: Nadine Miller

**815-987-5713**

Water Quality Technician: Larry Pierce

**815-987-5736**

Water Quality Technician: Jill Giacomazzo

**815-987-5701**

If discolored water occurs, it is not a health hazard. However, during any flushing procedures, iron (red water) and manganese (black water) may become stirred up within the water main, which can create staining on the porcelain and laundry. For this reason it is vital that the public be aware of the time and area that will be affected. If there are any Water Quality questions, please contact water quality at the numbers listed.
